Cc: NOSB Livestock  
Subject: Protect Organic Integrity on Pasturing.

Ms. Francine Torres, Administrator  
NOSB

I, Patricia Ross support the Livestock Committee recommendations on pasturing and outdoor access, I  
Thank You.

Patricia Ross  
(205) 254-7156

because pasturing is an integral part of organic dairy farming and humane animal treatment. We want t

he best tasting, most nutritious milk that comes from cows outdoors on pasture.
